You are entering a contract which limits your possible recovery in case of loss or damage.

The terms and conditions set forth below become a part of the contract between Shepard Exposition Services, and you, the Exhibitor. Exhibitor is deemed to accepted these terms and conditions when any of the following conditions are met:

Exhibitor materials are delivered to the Shepard warehouse or to a show or exposition site for which Shepard is the Official Show Contractor, or an order for labor and/or rental equipment is placed by the exhibitor with Shepard.

Definitions and Shepard Responsibilities: The name "Shepard" shall be construed within the meaning of this contract as Shepard Exposition Services, Inc. and its employees, officers, agents, and assigns including any subcontractors Shepard may appoint. The term "EXHIBITOR" refers to any party who contracts for services with Shepard. Shepard shall be responsible only for those services which it directly provides, and hereby agrees to execute its contracted duties in good faith. Shepard assumes no responsibility for any person, parties, or other contracting firms not under Shepard's direct supervision and control. Shepard shall not be responsible for loss, delay, or damage due to strikes, lockouts, work stoppages, natural elements, vandalism, acts of God, civil disturbances, power failures, acts of terrorism or war, or any other causes beyond Shepard's reasonable control; or for ordinary wear and tear in the handling of materials. Due to the security and liability requirements, Shepard personnel will unload all vendor materials from the loading docks to the booths.

Indemnification: The exhibitor agrees to indemnify, forever hold harmless, and defend Shepard and its employees, officers and agents from and against any and all claims, causes of action, fines, penalties, damages, liabilities, judgments, and expenses on account of personal injury or death, damage to or loss of property or profits arising out of, or contributed to by any of the following: (1) exhibitor's negligent supervision of any labor secured through Shepard or the negligent supervision of such labor by any of the exhibitor's employees, agents, representative, invitees, and/or exhibitor appointed contractor (EAC); (2) exhibitor's negligence, willful misconduct, or deliberate act, or such actions of exhibitor's employees, agents, invitees, representatives, or EACs at the show to which this contract relates, including but not limited to the misuse, improper use, unauthorized alteration, or negligent handling of Shepard equipment; or (3) exhibitor's violation of Federal, State, or Local ordinance; or violation of show regulations and/or rules as published by the Facility and/or Show Management.

Payments are due prior to delivery of services or equipment to EXHIBITOR unless other credit arrangements have been made. All payments shall be in U.S. currency, MasterCard, VISA, or American Express, debit cards, or check, provided there is sufficient customer credit in EXHIBITOR's form of payment to completely satisfy the amount owed by EXHIBITOR to Shepard. Undersigned authorizer acknowledges and agrees that all applicable charges for services rendered to the EXHIBITOR will be applied to the credit card on file in the event other form of payment is not tendered prior to the close of the trade show. In no instance shall any Exhibitor be extended credit beyond 30 days after the close of the Show. If there are any outstanding balances owed by EXHIBITOR to Shepard which have not been paid after 30 days following the close of the Show, then these unpaid balances shall bear interest at the rate of 1-1/2% per month (18% per annum). Exhibitor will be responsible for all charges incurred by Shepard while endeavoring to collect this account.

Show Site Orders: Services ordered at show site will require full payment at the time the order is placed. Purchase orders may not be used in lieu of payment. Regular prices will apply to all show site orders. Floor orders are limited to availability.

Third Party Orders: If you contract your work to a display or exhibit house and require services from Shepard, the payment policy stated above applies. Please pass this information on to them. A Third Party Payment form must be completed and submitted three weeks prior to show opening.

Equipment Audits: EXHIBITOR should be advised that routine audits of Exhibitor booths for service usage are conducted during the Convention. Should the result of such an audit indicate that equipment or services is in fact being used that has not been paid for, the Exhibitor will be charged for the equipment or service at the applicable rate.

Exchanges and Cancellations: Onsite exchanges and cancellations in orders will be assessed a 100% pick-up fee. Custom products: All orders cancelled by the exhibitor within 30 days of first day of exhibitor move in day may be subject to cancellation fees up to 100% of the total order, based upon the status of move-in, work performed and/or Shepard set-up costs or expenses. Standard Furnishings: There are no exchanges or refunds once item has been delivered to your booth. Cancellations must be received in writing within 14 days prior to first exhibitor move in day. Labor: Cancellations must be received in writing before 48 hours of 1st day of exhibitor move in, otherwise a 1 hour per man ordered will apply.

Invoices: Prior to close of show, an invoice will be prepared and emailed to the booth contact on file for your review. Credits will be issued at show site only. If you have any questions or want to pay your invoice by check or cash, please see our customer service representatives at the service desk on site.

Outbound Services: All outbound services will be processed on your credit card. A copy of the receipt and invoice will be mailed within 10 days of the close of the show.

Rental Responsibility: All materials are on a rental basis and shall remain the property of Shepard. The customer shall be held financially responsible for any damage to Shepard equipment used by the customer. Prices quoted are for the duration of the show and include installation, rental, and removal except where indicated. If skirting and carpet colors are not selected, show colors will prevail.

International Customers: International customers must pay for all services in U.S. funds. A \$50 service charge will be added for processing checks or wire transfers drawn on foreign banks.

U.S. Wire Transfers: A \$25 service charge will be added for processing U.S. wire transfers. Please complete the wire transfer portion of the Payment Authorization form. The credit card portion of the form must still be completed before your order will be processed.

Tax Exempt Status: If you are tax exempt in the state where the show is held, a copy of the certificate must accompany your order.

Exhibitor Information: Exhibitor permits all contact information provided to Shepard to be used by Shepard and shared with other entities assisting in the production of the event in question. Facsimiles and email communications may include show information, promotional materials, advertising statements and other commercial notices. Permission may be revoked by the EXHIBITOR in writing.

Cancellation or Event Postponement: In the event the exposition or event is cancelled or postponed, Shepard reserves the right to charge for services rendered in preparation of the event or exposition as well as non-refundable costs incurred by Shepard.

Insurance: It is understood that Shepard is not an insurer. Insurance should be obtained by the EXHIBITOR. It is highly recommended that exhibitors arrange All Risk coverage which usually can be done by endorsements to existing policies. EXHIBITOR's materials should be insured from the time they leave their firm until they are returned after the close of the show. Insurance and liability against theft or property damage to equipment or exhibit material owned or rented by EXHIBITOR, or bodily injury occurring within the confines of EXHIBITOR's booth, remain the sole and complete responsibility of EXHIBITOR. Except where prohibited by law, the EXHIBITOR and its insurers waive all rights of recovery or subrogation against Shepard and their respective directors, officers, employees, and agents.

Claim(s) for Loss and Payment For Services: Exhibitor agrees that any and all claims for loss or damage shall be submitted to Shepard prior to the conclusion of the show when the alleged loss or damage occurred prior to that time, and in all cases within 30 days of the conclusion of the show. For claim reporting purposes, the "conclusion" of the show shall be construed as the end of the day on which exhibitor must vacate the show site. All claims reported after the 30-day period will be rejected. In no event shall a suit or action be brought against Shepard more than one year after the date the loss or damage occurred. Payment for services may not be withheld. In the event of any dispute between Shepard and the exhibitor relative to any loss or damage claim, the exhibitor shall not be entitled to and shall not withhold payment for Shepard services as an offset against the amount of the alleged loss or damage. Any claim against Shepard shall be considered a separate transaction and shall be resolved on its own merit.

Limits of Liability: If found liable for any loss or damage, Shepard's sole and maximum liability for loss or damage to exhibitor's materials will be limited to the repair or replacement with like kind and quantity, subject to a dollar amount not to exceed \$5.00 (five dollars) per pound based on the weight of the articles for which Shepard specifically acknowledges receipt in writing. Shepard shall in no event be liable for collateral, exemplary, indirect costs or damages, or loss of sales resulting from, or related to, a claim for loss of or damage to material.

Inbound and Outbound Shipments: Consistent with trade show industry practices, there may be a lapse of time between the delivery of shipment(s) to the booth and the arrival of the exhibitor or his representative. During such time, the materials will be left unattended. Shepard is not, and cannot be, responsible for loss, damage, theft, or disappearances of exhibitor's materials after same have been delivered to the exhibitor's booth. Similarly, there may be a lapse of time between the completion of packing and the actual pick up of exhibitor's materials from the booth for loading onto a carrier. During such time, the materials will be left unattended. Shepard shall not be responsible for loss, damage, theft, or disappearance of exhibitor's materials before same have been picked up for loading after the show. All materials will be checked at the booth at the time of loading using document(s) submitted by the exhibitor and notations of exceptions to conditions of materials or piece counts will be made on said document. Shepard assumes no responsibility for loss, damage, theft, or disappearance of exhibitor's materials after same have been delivered to exhibitor's appointed carrier or agent for transportation after the show. Shepard loads materials onto the carrier's truck under the supervision of the carrier driver who checks and signs for the materials. Shepard assumes no liability for any materials after the carrier assumes custody of materials. If exhibitor's designated carrier fails to show by the move out deadline after a show, Shepard shall have the authority to route exhibitor's shipment via an alternate carrier, or return shipment to a local warehouse for disposition at exhibitor's expense.

Packaging, Crates, and Empty Containers: Shepard shall not be responsible for surface damage to loose or uncrated materials, pad-wrapped, or shrink-wrapped materials. Shepard shall not be responsible for concealed damage, damage to carpets in bags or poly, or damage to materials improperly packed. Shepard shall not be responsible for crates and packaging unsuitable for handling, partially assembled, or having prior damage. Affixing "Empty" storage labels to containers is the sole responsibility of the exhibitor or his representative. All previous labels should be removed. Shepard assumes no responsibility for removal or misdelivery of containers with old labels or incorrect information on labels or for loss or damage to materials stored in containers labeled "empty."

What is material handling (also referred to as drayage)?

Material handling is the process of unloading your freight from your shipping carrier, either at the warehouse or show site, delivering it to your booth, storing your empty containers (empties) if required, returning of your empties at the close of show, and then reloading your freight back onto your shipping carrier.

What is the definition of "freight"?

Any exhibit materials shipped or delivered to the advance warehouse or show facility via shipping carrier, POV, or delivery truck.

What is the difference between material handling and shipping?

Shipping is the process of carrying your shipment from your location, pick-up area to its destination and also the process of returning your shipment back to your location after the close of the show. Material handling begins at the time your shipment arrives to the docks (please refer to "What is material handling?" for the full definition.) These are 2 different items and are billed differently.

Do I need to order a fork lift to unload or reload my freight?

No, please do not order a forklift for unloading/reloading of your materials.

What does CWT mean?

CWT is an acronym for Century Weight. Your crated shipment is billed per 100 lbs.

What determines how much I'm charged?

Charges are based off the weight from your inbound weight ticket included with your shipment.

How do I calculate material handling charges?

Material handling services whether used completely or in part are offered as a package. When recording weight, round up to the next 100 lbs. EXAMPLE: 285 lbs. = 300 lbs./100 lbs. = 3 X RATE = \$ Amount or minimum charge, whichever is greater.

Will there be any additional charges?

Additional charges may apply. Please review the Material Handling Authorization and Material Handling Additional Services forms included in the manual for all applicable fees.

What are Light Weight shipments?

All shipments regardless of carrier that weigh 40 pounds or less. Shipments need to have certified weight tickets or other verifiable weight noted upon delivery. Shipments without certified weight tickets may be subject to special handling or reweigh fees. Packages that arrive separately at different times or days will be billed separately.

All shipments, regardless of carrier, weighing 41 lbs and up will be billed using the standard material handling rates listed in the kit and billed at a 200 lb minimum as usual

How do I calculate my Light Weight shipment?

Charges for Light Weight shipments are total shipment weight, per delivery. Any shipment above 40lbs will not qualify for this rate. Please be advised that your whole shipment may not arrive to its destination at one time. Therefore you may be charged per each delivery.

What are Crated materials?

Materials delivered that are skidded or in a container that can easily be unloaded/reloaded with no special handling required.

What are Uncrated materials?

Materials delivered that are loose, pad-wrapped or unskidded without proper lifting bars and/or hooks.

What is Special Handling?

Shipments delivered that require extra labor for stacking or unstacking containers on a truck, tarping or untarping freight or containers, or rigging pieces for loading or unloading on a truck or from the ground, or other circumstances requiring the rehandling of materials. Cannot be completed solely with one forklift and operator.

What are Advance Shipments?

All shipments that are addressed to the advance warehouse address (please refer to "Advance Warehouse" shipping labels included in this manual).

Shepard will begin accepting your shipments 30 days prior to first show open day (date may vary depending on show schedule).

The warehouse will receive shipments Monday-Friday, 8:00am - 4:00pm, excluding holidays.

Shipments must arrive by advance warehouse deadline date to avoid a late surcharge. (Please refer to the "Show Information" page included with this manual for deadline date.)

Crates, cartons, skids, fiber cases, and carpets can be accepted at the warehouse, but DO NOT ship crates weighing over 5,000 lbs., loose/uncrated shipments and/or machinery to warehouse. You must ship those items direct to show site.

All shipments must have a bill of lading or delivery slip indicating number of pieces and weight. Certified weight tickets required.

All shipments must be prepaid, no collect on delivery shipments will be accepted.

What are Direct Shipments?

All shipments that are addressed directly to the exhibit facility (please refer to "Direct to Show" shipping labels included in this manual).

Shipments must arrive during published exhibitor move-in times only. Do not ship direct to show site in advance. If delivery cannot be guaranteed to arrive during exhibitor move-in, shipment must go to advance warehouse.

All shipments must have a bill of lading or delivery slip indicating number of pieces and weight. Certified weight tickets required.

Crates weighing over 5,000 lbs. or loose/uncrated shipments must be shipped direct to show site to arrive during exhibitor move-in times.

All shipments must be prepaid, no collect on delivery shipments will be accepted.

What is and why would I need liability insurance?

Accidents happen, therefore, most show organizers and facilities require liability insurance. Please refer to your booth contract for exact minimums required.

Please make sure your materials are covered from the moment they leave your company location to the time they return after the close of the show.

If applicable, included in your manual is information and an application for liability insurance and booth coverage can also be purchased to protect your valuable exhibit materials.

Outbound Shipping

You must complete a Shepard Material Handling Agreement (MHA) for all outbound shipments. A MHA will be distributed at show site if all services have been paid in full, or you can request one at the customer service desk.

Upon completion of packing and labeling of your materials, complete the bill of lading with all required information, and return to customer service. If you have questions on how to complete your bill of lading, please ask a Shepard customer service representative located at the customer service desk.

If you are NOT using the designated shipping carrier, you must call your carrier with pick-up information. If your carrier fails to pick up your shipment, Shepard will either reroute your freight through the carrier of our choice or return to the local warehouse (whichever is indicated on your MHA).

Material Handling Info

SPECIAL HANDLING DEFINITIONS Rate as shown on Material Handling Rate Form, approx 30%

Shipments received that are packed in a manner as to require additional handling/labor are deemed special handling. Examples of shipments falling into this category would be constricted space unloading, ground unloading, stacked shipments, designated piece unloading, shipment integrity, mixed shipments, no bill of lading or documentation, carpet/pad only shipments.

- Constricted Space - Freight packed in trailer to full capacity. Shipments are not easily accessible because trailer is loaded by cubic space, or top to bottom and side to side.
- Stacked Shipments - Shipments with multiple pieces stacked on top of one another throughout the majority of the truck or trailer requiring unstacking during the unloading process.
- Mixed Shipments - Mixed shipments are shipments that contain a mixture of uncrated and crated materials, and the uncrated portion is minimal deeming the shipment special handling but not uncrated. But in cases where greater than 50% of the load by volume is uncrated the load will be categorized as uncrated.
- Shipment Integrity - Shipments loaded on a carrier in a manner requiring separating or sorting to reestablish the integrity of each shipment.
- Carpet/Pad Only - Carpet and/or pad only shipments are time and labor intensive, and require additional manpower and tools (e.g. carpet poles, flatbed carts or scooters, dollies).
- No Documentation - Shipments received from small package carriers (including, among others, Fed Ex, UPS, & DHL) that are delivered without documentation or bills of lading that require additional sorting, processing, and tools for delivery.
- Designated Piece Unloading - Shipments loaded in such a manner that require the unloading/loading crew to be directed by driver remove items in a particular order, or unloading and reloading items to reach certain pieces behind others remaining on the trailer.

DISPOSAL FEE Fee: .75 Per Lb Labor Rate \$122.00 Per Hour (OT/DT may apply)
 A disposal fee & minimum 1 hr labor will be charged for all booth materials (booth displays, flooring, etc.) that are left unclaimed after show move-out.

OVERTIME/DOUBLE TIME Surcharge: Overtime: 30% Double Time: 50%
 Shipments that are moved and/or handled on overtime and/or double time hours will incur a surcharge based on the handling times noted on the receiving/shipping documents. Drivers picking up outbound shipments will be sequenced for loading ONLY after a bill of lading is submitted to the Shepard Service Desk AND the driver has checked in.

WAREHOUSE OVERTIME/DOUBLE TIME Surcharge: Overtime: 30% Double Time: 50%
 Advanced shipments may be received during straight time hours at the warehouse location, however an overtime/double time surcharge may be applied to an advanced warehouse shipment due to required delivery schedule based on show move-in and move out hours beyond our control. This would also be true if freight was received after hours at the warehouse trapping facility.

EARLY/LATE SHIPMENTS TO WAREHOUSE Surcharge: 25% Minimum: \$50.00 35003
 A surcharge will apply to shipments not arriving within the published dates (refer to Show Information page for dates) for advance warehouse or arriving on show site after show opening. Any shipment arriving to showsite after show open will be charged a surcharge.

UNCRATED SHIPMENTS Rate as shown on Material Handling Rate Form
 An additional charge of 50% (or as stated on Material Handling Authorization page) of the applicable material handling charge at the time of delivery shall be charged for all loose, uncrated, or unprotected shipments received at the show site docks. The charge is a one-time charge that includes both move-in and move-out of the show, and is based on the weight of the shipment handled.

OFF-TARGET DELIVERIES Surcharge: 15% Minimum: \$50.00 35004
 For targeted shows (exhibitors who received/requested a Targeted Date/Time), a surcharge will apply if shipment is not delivered (or carrier has not checked in) during assigned target date/time.

PADDED VAN DELIVERIES Surcharge: \$8.00/CWT 35041
 This applies to van line carriers that transport freight at cubic displacement rates, operate a non-standard dock height equipment, require freight on the truck to be unloaded in a specific order or orientation, or require that freight on the truck be moved to unload the actual delivery.

MARSHALING YARD Surcharge: \$30 per Shipment 35250
 Where Shepard Exposition Services as the show contractor must lease space for marshaling yard operations because no space is provided by the facility, Shepard may charge a one time fee per shipment processed inbound and/or outbound through the marshaling yard.

REWEIGH OF SHIPMENTS Surcharge: \$25.00 per forklift load 35282
 An additional charge per forklift load will be applied to shipments that have to be reweighed at the dock due to the lack of a certified weight ticket, or an incorrect or understated weight on a delivery document.

EMPTY CRATE STORAGE Surcharge: \$25.00 per piece, Minimum \$50.00 35105
 A charge per crate, carton or skid applies when Shepard handles the storage and return of empties from a shipment not received by Shepard and therefore not subject to material handling charges.

LIGHT WEIGHT SHIPMENTS
 Shipments weighing 40lbs or less will qualify for the light weight shipment rate. Shipments exceeding 40lbs will be billed standard Material Handling fees at the prevailing show rates. All shipments must have certified weight tickets. Shipments without certified weight will be subject to special handling or reweigh fees.

ENVELOPE DELIVERIES Surcharge: \$10.50 per envelope 35007
 During show hours at the show facility, a charge will apply to receiving and delivering envelope packages to your booth.

Discount does not apply to shipments considered small package, local deliveries, "Light Weight" shipments, or shipments over 10,000 lbs. Roundtrip SLS shipping is required to qualify for discount. (35572)

What is Material Handling?

Material Handling is the unloading and delivery of exhibit freight to the exhibitor's booth on the show floor, the storage of empty containers, the return to booth for packing, and the loading back onto the exhibitor's outbound carrier. This is an automatic service and is billed based on weight. This service, whether used completely or in are part, are billed as a package.

Important!
 All Material Handling fees will be automatically billed to the credit card on file!

How to Calculate Material Handling Services: The following services whether used completely or in part are offered as a package. When estimating weight, round up to the next 100 lbs. For example: 285 lbs. = 300 lbs./100 lbs. = 3 X RATE = \$ Amount or minimum charge, whichever is greater.

Standard Material Handling Rates: All rates are per 100 pounds with a 200 pound minimum charge. Certified weight tickets are required on all shipments.

Blended Rates: The rates stated are blended to include overtime based on the schedule at publication. Changes in schedule may result in additional fees.

Advance Warehouse Shipments

Weight	Crated	Special Handling	Total
	\$154.70	\$201.00	
35010		35036	

Advance Warehouse Tips

Shipments can arrive to the Advance warehouse up to 30 days prior to move in. Single pieces over 5000 pounds or uncrated machines cannot be accepted at warehouse. Advance freight is typically delivered to your booth before direct shipments.

Direct to Showsite Shipments

Weight	Crated	Uncrated	Special Handling	Total
	\$149.50	\$224.25	\$194.25	
35030		35043	35038	

Direct to Show Site Tips

Freight must arrive only during published move in dates and times. Great for last minute shipments. Large pieces of machinery can be accepted.

Light Weight (Shipments 40 pounds or less)

Total Shipment	Total
\$77.25	
35400	

Light Weight Shipment Tips

Consolidate! Shipments that weigh 40 pounds or less total will receive this special pricing. If you have multiple lightweight shipments, bundle them together so that you are charged for (1) one 40 pound shipment as opposed to multiple charges for shipments that arrive separately and at different days or times. All shipments must have certified weight noted on the package or bill of lading.

Overtime - 30% for each overtime application based on ST rate **Double Time** - 50% fee for each double time application based on ST

Early/Late Shipments to Warehouse: A surcharge will apply to shipments not arriving within the published dates (refer to Show Information page for dates) for advance warehouse or arriving on show site

Reweigh of Shipments: An additional charge per forklift load will be applied to shipments that have to be reweighed at the dock due to the lack of a certified weight ticket, or an incorrect or an understated weight on delivery document.

Disposal Fee: A disposal fee & minimum 1 hour labor will be charged for all booth materials (booth displays, flooring, etc.) left unclaimed after show move-out.

We understand that your calculation is only an estimate. Invoicing will be **calculated from actual certified weight ticket** or reweigh ticket on inbound material handling receiving report. Adjustments will be made accordingly. Any adjustments to charges must be made at show site.

I acknowledge that all Material Handling charges are billable and will be charged to the credit card on file.

Cartload Service

Cartload services are provided to those exhibitors arriving in privately-owned vehicles and have small hand-carried items that need to be delivered to and from the dock/booth location.

If you arrive with a truck, van, trailer, or truck with trailer filled with exhibit material you will not qualify for this service and will be redirected.

No personal trucks (one (1) ton & over), no rental trucks, trailers, or bobtails will be unloaded through cartload service.

All items must fit on flat bed cart (approximately 3'x4' in size) and weigh less than 200 pounds. If items are designated by Shepard personnel to be too large or too heavy, materials will be billed at regular material handling rates.

Your vehicle must unload on the receiving dock of the exhibit hall. Shepard personnel will direct vehicles. The cart is not authorized to enter or go to any parking structure. There must be two (2) people with the vehicle; one person to go with your product to the booth space and one person to remove your vehicle from the unloading area to the parking area.

SHIPPING VERSUS MATERIAL HANDLING

WHAT IS SHIPPING?

Shipping is the process of a carrier picking up your items from your office or place of origin and transporting it to the dock of either the advance warehouse or facility dock of your event. It is separate from Material Handling. Exhibitors may use any carrier they want, including Shepard Logistics.

WHAT IS MATERIAL HANDLING?

Material Handling is the process of receiving your shipment from your carrier and managing it through the event cycle. It is a standard tradeshow process and it is a chargeable fee typically based on the weight of your shipment. Don't forget to add Material Handling to your budget!

ONE EASY WAY TO KEEP YOUR CHARGES LOWER?

**Consolidate, Consolidate,
Consolidate!**

Skid items as much as possible so that they are sure to arrive together. Each shipment that arrives at a separate time is assessed the minimum charge. Whether you ship to the advance warehouse or show site it is in your best interest to consolidate as much as possible.

Material Handling Process:

- Unloading the trade show freight from your carrier once it arrives at the receiving dock.
- Transporting your shipment to your booth space.
- Removing empty shipping containers (boxes, crates, and pallets) from your booth.
- Temporarily storing your empty shipping containers during the show.
- Returning empty shipping containers to your booth once the event is over.
- Transferring the freight back to the loading dock.
- Loading the items into your carrier's delivery vehicle for return shipping.
